Peterson High School

Before 1963, acres of flowering fruit trees dominated the land now covered by houses in Sunnyvale. With the advent of moon rockets, the field of aerodynamics developed, and Sunnyvale became a center of the nation's space industry. Pioneers in electronics (most were at Stanford) attracted a new industry and engineers moved to be closer to the most innovative minds. The newly expanding businesses drew many families to the Santa Clara School District and increased student enrollment. To accommodate the overflow of students at Buchser and Wilcox, the district built a new high school, the fourth in the district, Marian A. Peterson High.

Peterson was planned on the space age ideal, "Research is the key to development," and the classrooms, in a unique design, surrounded an octagonal library. Construction began on August 24, 1964 and was completed in three phases. In September of 1965, keys were officially presented to Louis P. Martini, Peterson's first principal, and the Peterson ANTHEM and FIGHT SONG, both written by Mike Patterakis, were played at the dedication. In 1966 Peterson held its first graduation.

In naming the school after Marian A. Peterson, the district honored her service to the community. A lifetime resident of Santa Clara, she was a former school teacher and had served the Santa Clara School District's Board of Education.

During the dedication of Peterson, Jim Hopkins, its first student body president, stated, "We've got a reputation to build and this has affected our behavior. We will never have to worry about enthusiasm and spirit because we've got plenty—but, we're very sensitive about the responsibility we have to the school and lady for whom it was named."

Over 5500 students, each with individual hopes and dreams, have passed through Peterson. Because they united and worked together to fulfill common hopes and common dreams, what they have accomplished has benefited not only themselves, but society itself. Peterson students have worked with their hands and with their minds; they have improved their environment; they have looked to the future; they have made the world a better place in which to live.

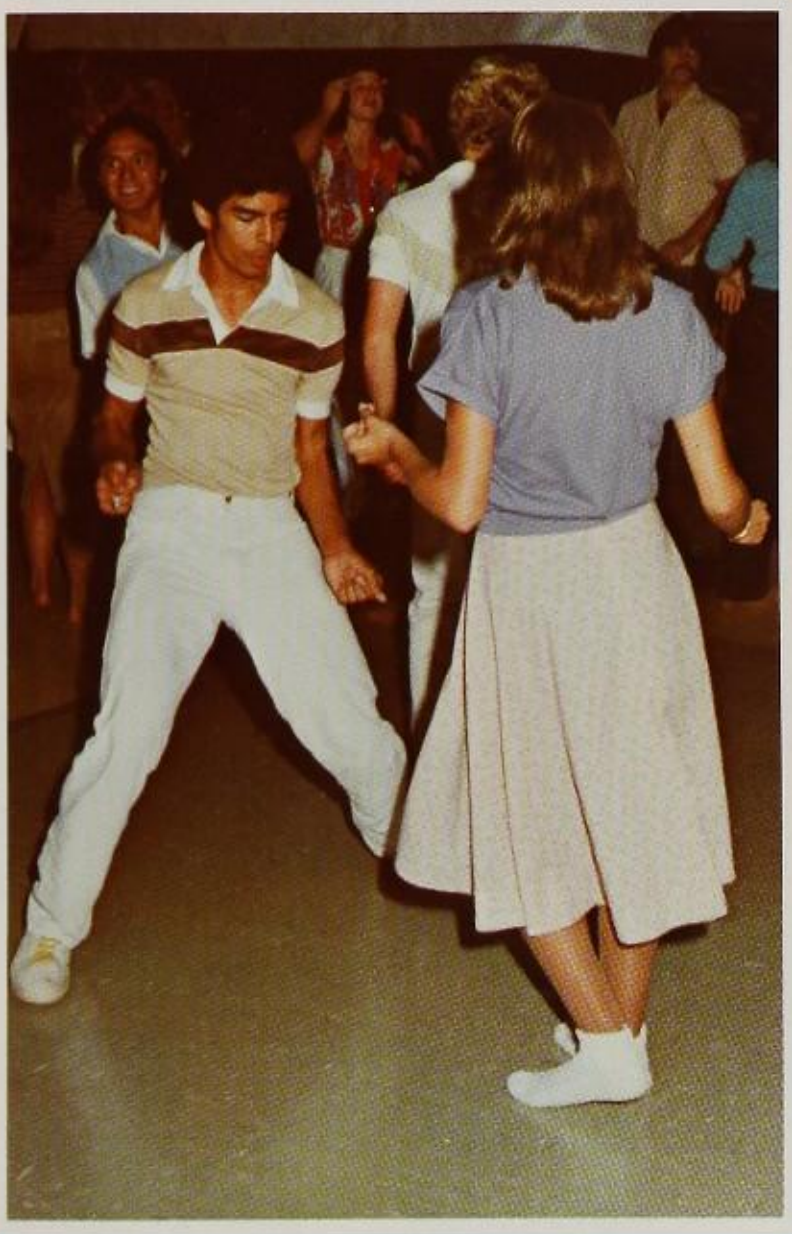
For others,
dreams of
participation,



The hundreds of students who have attended Peterson will remember in their spirits and in their dreams its friendliness and its spirit of co-operation. No one has been more instrumental in establishing Peterson's reputation and its character than has its principal, Charles Passantino. Mr. Passantino's openness and active support of every facet of school life at Peterson from football, to development of minority programs, to fulfillment of the Monte Bello Ridge project, to attending the senior prom, have helped develop Peterson's reputation for spirit and for congeniality. Charlie, as he is affectionalately called by the Peterson staff, has always been present behind every Peterson project, offering encouragement and a friendly hand.

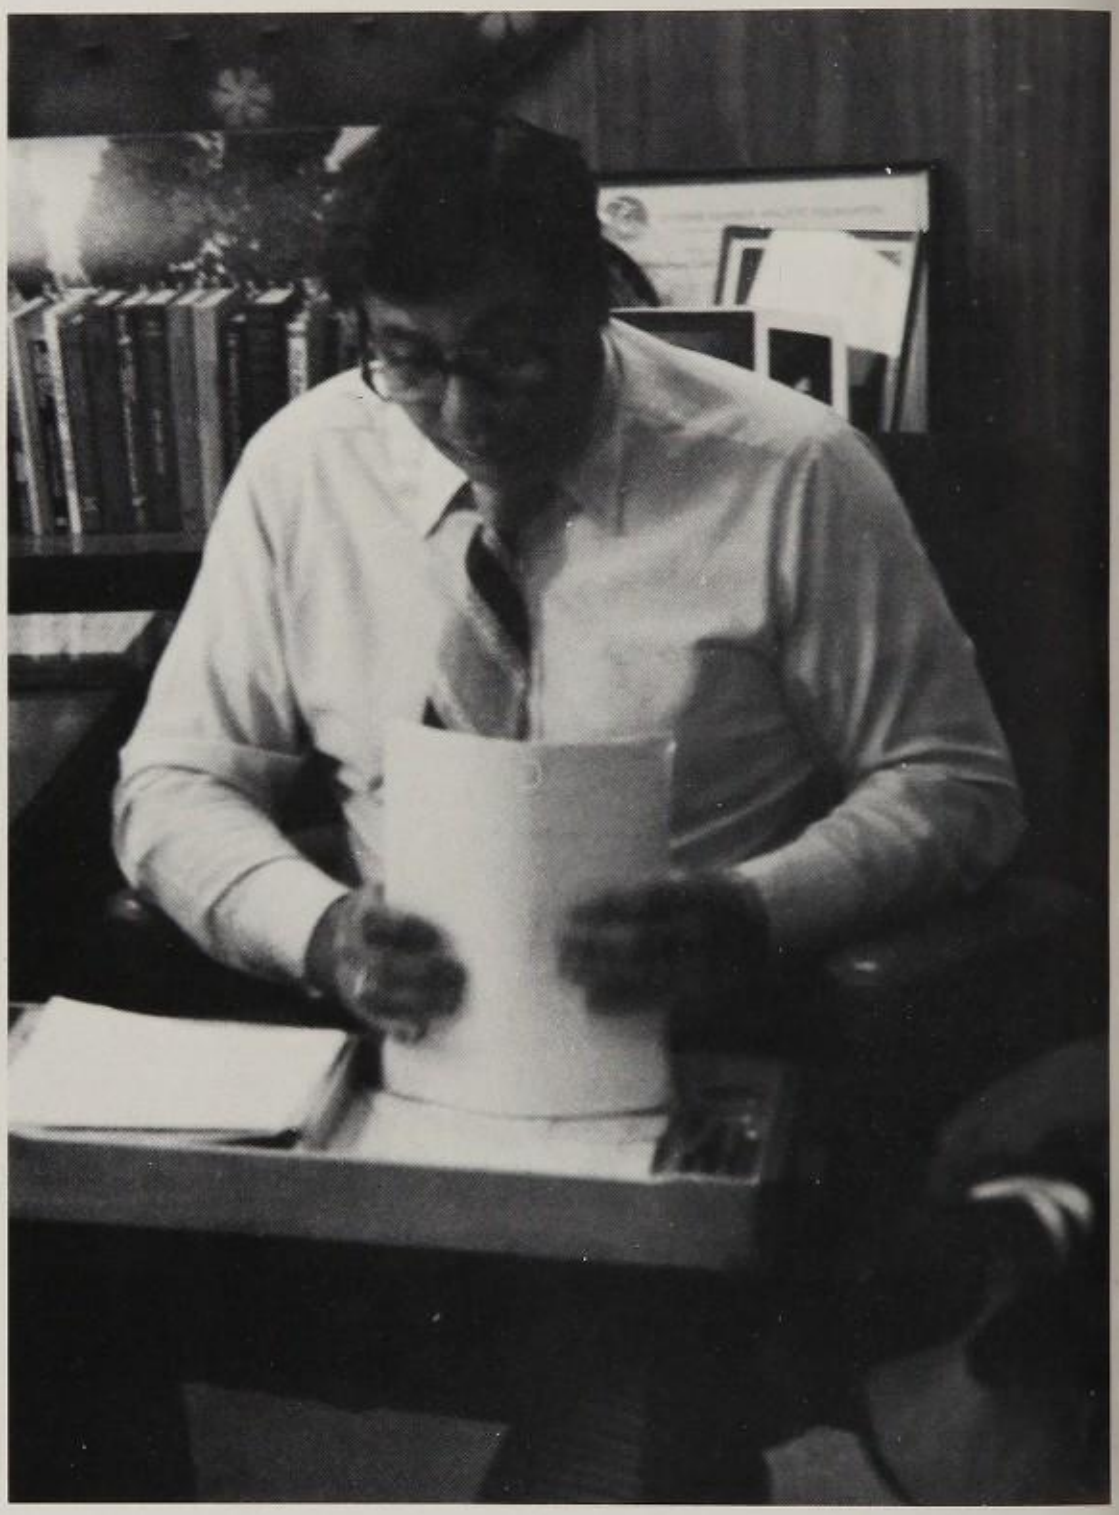
A native of this area, Mr. Passantino attended Fremont High School and San Jose State University, majoring in business administration and minoring in economics; he received his B.A. in 1951 and his General Teaching Credential the following year.

This year completes Mr. Passantino's twenty-fifth year of service to the Santa Clara Unified School District. His first teaching assignment was at Santa Clara High School, where he also counseled during his six years there. In 1961, he was appointed Head Counselor Registrar at the then new Wilcox High School, where he also served as Acting Vice-Principal. In 1972, he transferred to Peterson High School as Acting Principal and the following year became Principal. Under his leadership, Peterson has grown in size and in accomplishments.

Mr. Passantino is the father of three post high school sons.

He is a member of the Association of California School Administrators and serves as Past President of the local chapter. He is also a member of the Rotary Club of Santa Clara West.

For his easy-going, friendly personality, his encouragement and support, Charlie Passantino will be remembered by the alumnae and staff of Peterson High School with love and with respect. For the outstanding accomplishment of his personal dream of leadership, the staff dedicates this final edition of the GALLEON to Mr. Charles Passantino.



For one, a dream of leadership,

And dreams of
endless
friendships.

We'll remember the people . . .

in academics . . .

In academics, Peterson accomplishments have been a dream come true. Peterson students have won distinguished awards since 1965 when the school first opened. They have brought honor and recognition to Peterson and to Santa Clara Unified School District in every field of academic endeavor.

Beginning in 1965 with 16 year old physics genius Larry Sorenson's awards in International Science Fairs and again in 1974 with Craig Martin's similar recognition for his cumputer project, Peterson students have made outstanding achievements in both the biological and physical sciences. Their efforts have been enhanced in Peterson's award-winning ecology center, as well as in the laboratory.

A second area of achievement is mathematics. Peterson students have won the Santa Clara Annual Intra-district Math Contest for the past nine years straight. Outstanding scholars include 1979 graduate award winner Eddie Wang and 1981 grad Gary Taniguchi.

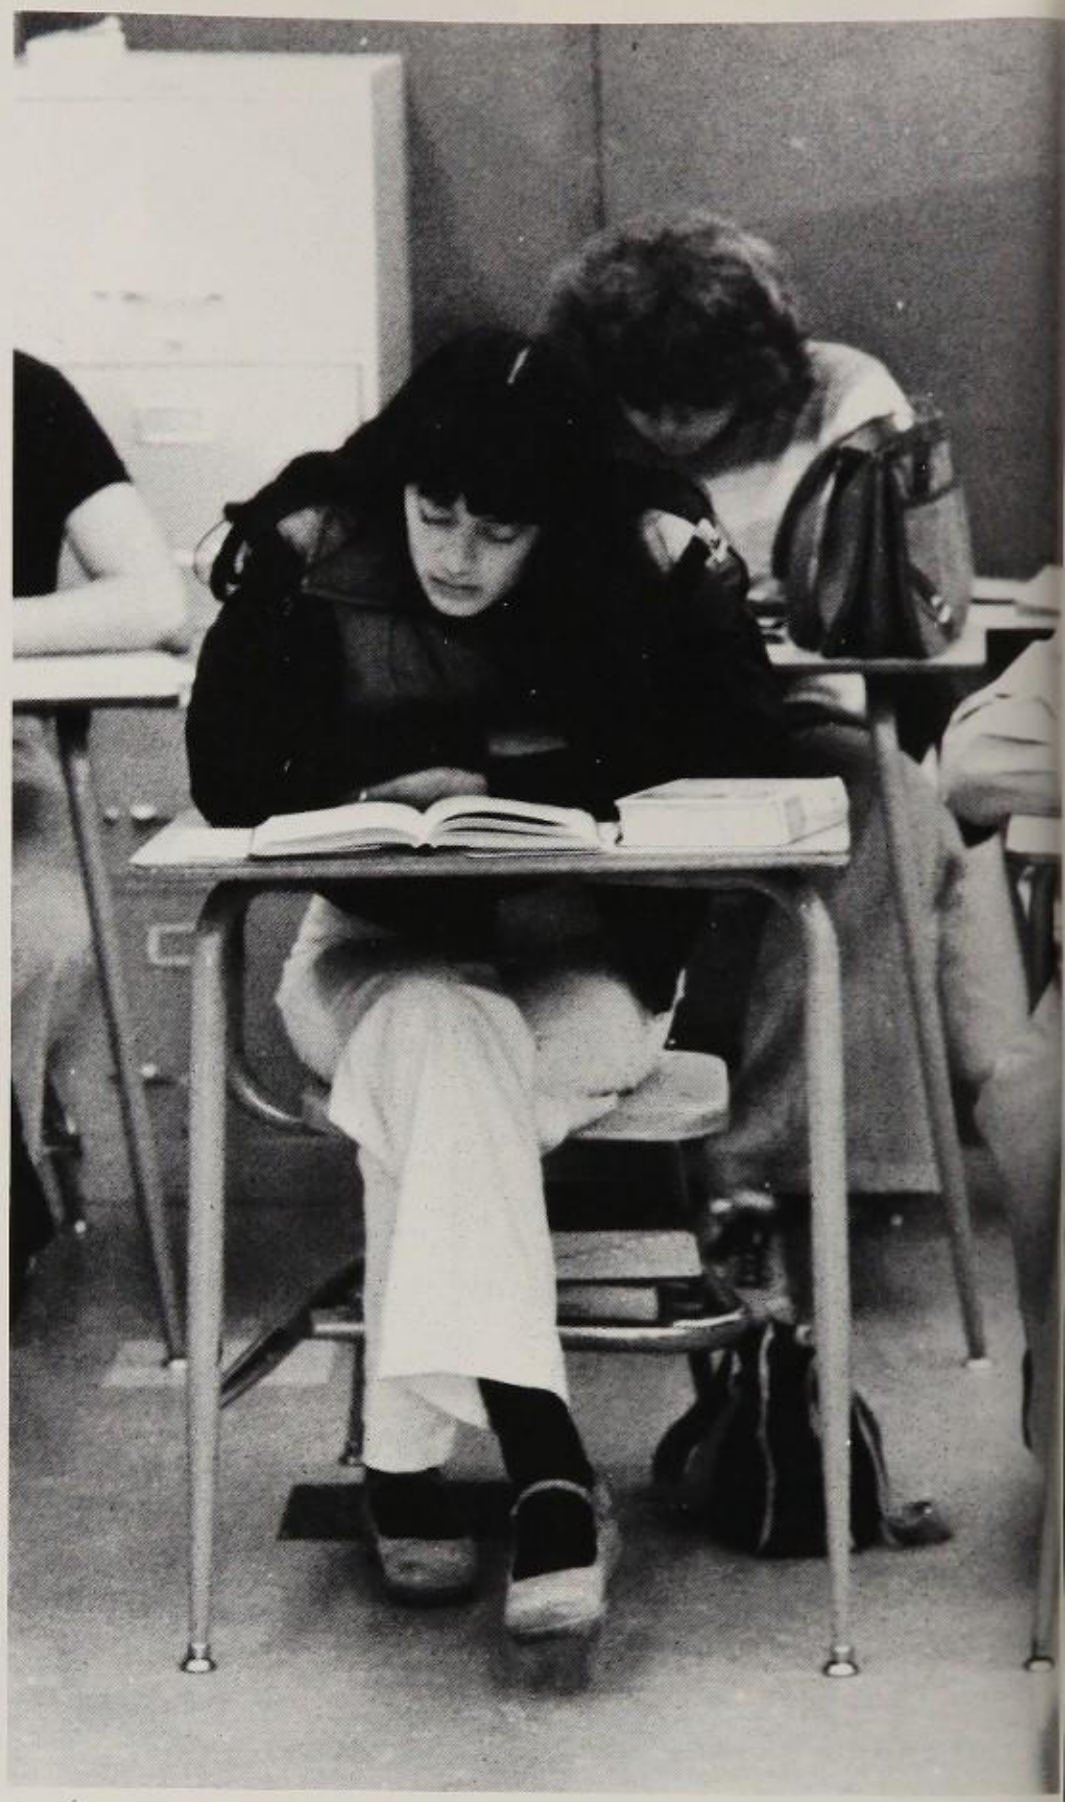
In liberal arts, recognized scholars include 1979 junior Steve Russo, the $10,000 first prize scholarship winner in the annual Veterans of Foreign War Voice of Democracy Contest.

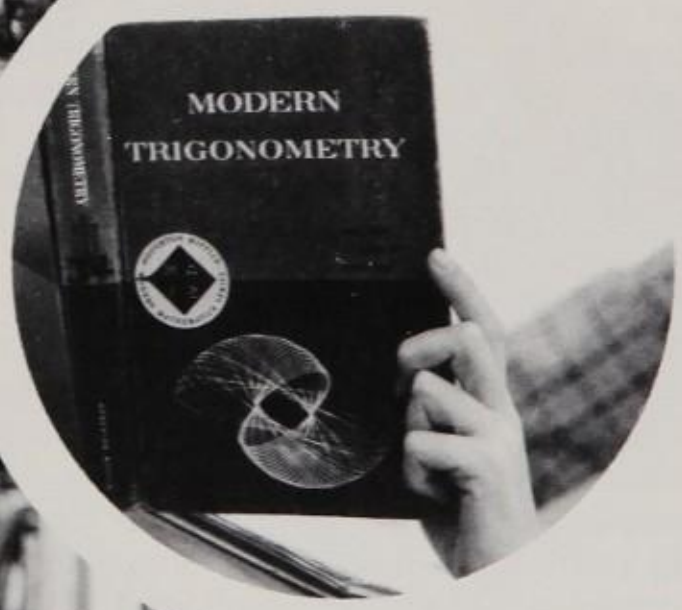
In vocational arts, Peterson students have won honors in every area of the discipline, ranging from scholarships to MIT and to Sullivan Beauty College, to Betty Crocker Homemaker of Tomorrow awards, to Peterson's highly valued Golden Hammer Award.

In fine arts, Peterson students have won recognition in musical contests since 1965. They have been warmly received by packed audiences at the annual Christmas Concerts and musicals.

For their achievements, Peterson students have won many honors and scholarships from distinguished universities, including Princeton, Cornell, Stanford, UC Berkeley, and Santa Clara University, and large cash awards from organizations such as PG & E, the Bank of America, and American GI Forum.

Peterson High School can indeed be proud of the academic excellence of its students and for the model of high scholastic achievements it has provided its community.





MODERN
TRIGONOMETRY

in sports . . .

Peterson High School sports have achieved much success throughout the sixteen years of Peterson's history. Our school takes pride in saying that the athletic teams have played a big role at Peterson and always will. We are proud of the job that our coaches have done and are sure they are equally as proud of their teams' past and present performances. All their accomplishments are too numerous to mention in this brief summary. However, many titles have been won and there have been many outstanding athletes in various sports. Peterson has captured Varsity S.C.V.A.L. titles in Football (72, 78, 79), Boys' Basketball (78, 79), Boys' Baseball (80), Wrestling (74, 75, 76, 77, 78), Girls' Basketball (77, also won CCS 81), and Girls' Softball (79, 80).

In addition, Peterson High School has had many outstanding individuals who have gone on to college to participate in sports or have later proved their excellence. Ben Bennett, who has received many honorable awards, presently attends Duke University and is the Bluedevils' starting quarterback. Also, Bennett along with Mel Cozby, received All-American Awards in high school. Tom Bruce, Peterson graduate and Olympian, earned two medals: a silver medal in the breaststroke and a gold in the relay in the 1972 Olympic games.

Dance kicks off new school year.

Once again, the Kick-Off Dance teed-off another year. Spirit Leaders, Song Girls, and Pirettes danced with the incoming eighth graders and everyone had a great time.

Sadie-Hawkins Dance

This year's Sadie Hawkins Dance, sponsored by the Class of 1981, was a foot-stomping jamboree. Girls, reminiscent of Daisy May, dragged their grooms up to the altar where they were married by Marryin' Sam, played by Mr. Irvine. After recovering from the initial shock, the couples danced to the music of Rush.

Christmas Concert Is A Sparkling Success

The first Peterson Christmas Concert was performed in the multi-purpose room to a standing room only crowd in December 1965 and featured the entire Music Department. The format has not changed since "Our First Noel" with the exception of adding the Canta Nova in 1972 and moving the program in to the gym in order to accommodate the large, enthusiastic crowds of parents, alumni and visitors. Peterson's program is the only one of its kind in the entire Santa Clara Valley. Over 400 students perform the great music of the season. The Choir, Canta Nova, Men's and Women's Glee Clubs are joined by the full orchestra and a narrator to present the spectacular concert.

Peterson's Nature Area -

A Dream Come True

Peterson's Nature Area, designed and developed by Montebello Ridge instructors Dan Baer and Bryan Osborne and the Ridge students, has been a source of pride and recognition for Peterson High School since the construction in 1973. The most beautiful area on campus, the nature area, with its ponds, nature paths, and natural habitation, has provided a first hand source of knowledge for the study of nature and ecology for hundreds of Peterson science students. It has also won recognition for Peterson in *Sunset* and *Newsweek* magazines. For instructors Baer and Osborne, it serves as a tribute to their dedication and ingenuity and for Peterson students the nature area has most certainly been a dream come true.

Cinco de Mayo - 1981

Peterson's celebration of Cinco de Mayo has become an annual event involving students of all nationalities. For the past four years, the Las Razas Unidas Club seniors have sponsored a volleyball tournament in which many student groups have participated. This year's winners of trophies were the following: in the women's division first place was won by the No Nads; in the men's division first place was won by the Alviso Spikers. Other excellent Cinco de Mayo activities for 1981 included authentic Mexican folk dancing by Los Lupenos, accompanied by Mariachis. The Cinco de Mayo celebration at Peterson has been a welcome annual event, enjoyed by the entire student body.

This year's 1980 Varsity Football team posted a 4-4 league record and a 5-5 overall record to finish in a tie for fourth place in SCVAL. The Most Improved Player was Andy DeGregorio, and the Most Valuable Player was Stu Campbell.

Over Hill and Dale- 1980 Cross Country.

The Cross Country Men's and Women's Varsity and Men's Frosh-Soph teams qualified for region II.

In the Santa Clara meet, Peterson's Men's Varsity, Women's Varsity, Men's JV and Men's Frosh-Soph all won championships. This was the first time in Peterson's history that such a feat was accomplished. The women also had a perfect score of 15, the first time ever in the city meet and the second time this year.

Anne Kendrick, who led the Peterson Cross Country Women, qualified for the AAU Nationals. Heidi Weed, Cathy Eubank, Captain Janet Kelkenberg and Becky Van Zant, who made an impressive record, finished third in league and were usually in the top five in all of the invitations.

Ken Johnson, the Clara City Champion, and most of the Varsity Men runners broke the long-standing 2 mile record by running the postal meet in 9:46.5.

Ian Lahaye was again the Most Dedicated; Brian Lacy, the Most Outstanding Frosh-Soph.

The 1980 Water Polo team, under first-year coach Ralph Wigginton, finished with a record of 0-7. With the Peterson pool closed, the team had to practice in the Wilcox pool for eight out of ten weeks. In spite of this hardship and of having a team comprised of several underclassmen, the poloists never gave up and stayed close in many games. The Most Improved Player was John Brennan, the Most Dedicated was Rhys Worth, and the Most Valuable Player was Scott Dregge. Brian Perryman made All-League.

The J.V. team finished sixth with JuJu Chang as Captain. Debra Voith placed sixth in C.C.S. in the 100 yard freestyle.

The teams were coached by Beverly Riley and Mrs. Wallace. Most Valuable Player was Debra Voith, Most Inspiring was Jennifer Lamb, and the Most Improved Swimmer was Lisa Correa.

With a squad of youthful talent and no returning starters, the 1981 Men's Varsity Basketball team set goals of steady improvement through experience, with low expectations for win-loss record. Key injuries during the season hampered the Pirates' effort even more. Captain Jim Conforti's inspirational leadership was inital to team morale. The team's struggles were rewarded in the season finale, a decisive 65-51 victory over the powerful Mt. View Eagles.

The 1980-1981 season was a highly successful year in the women's basketball program, with both Varsity and J.V. Teams finishing as League Champions.

The J.V.'s, coached by Clint Rylee, topped their league with a 7-1 record. Catherine Olthof, consistently a high scorer, was the Team's MVP. Promising freshman talents, Phyllis DiGeronimo, Jill Gibbs, and Jill "Spanky" Pullin, each received All-League Honors. Sophomore Carrol Titus was the fifth starter on the Stars-of-the-Future Squad.

The women's Varsity Team played a very competitive schedule to a 22-9 overall record. The Pirates played two pre-season tournaments, finishing as Consolation Champions and 2nd Place, respectively. Losing only to high-ranked CCS teams, the Pirates swept the SCVAL 8-0, continued undefeated in the SCVAL Playoffs, and finished

a strong sixth in the CCS Championships.

The Varsity was led by two outstanding Senior fowards: Captain Clare Hamm, an excellent defensive player and brillant passer (whose leadership earned the Most Inspirational Award); and sharpshooter Constance Troolines, the Pirate MVP, who hit a carreer-high 26 points in the Pirate's final CCS game. Both received All-League Honors.

The Pirates relied heavily on three Junior guards: All-League point guard Monique Bautista devastated opposing defenses with her excellent ball handling and strong outside shooting; Andrea Michelotti, a whirlwind on defense, excellent rebounder, and 40% shooter; and Kristen "Spaz" Welch, whose skillful intensity as sixth player earned her the Most Improved Player Award.

Junior Kathleen Reilley, as the fifth starter, was the third high rebounder and showed remarkable poise for a first-year player. Susan Sabel, with superior effort and hustle, proved extremely valuable in the Pirate Press. Heidi Weed and sophomore Shaunna Firebraugh provided needed depth to this exciting championship team.

Led by seniors Darren Hoff & Joe Ginanni in the infield, Dan Smith, Stuart Campbell, & Rodger Johns in the outfield, Tom Morrison catching, Scott Dredge (6-0) & Junior Ron Wagner (9-1) as the pitching staff-the Bucs were a formidable line-up; Dave Garner, Mike Garry, and transfer Alan Ross, all juniors, rounded out the starting nine.

The 1981 Varsity softball team relied solely on ace hurler Kelly Mays and supported her with total team hitting to win the SCVAL championship. A consistent and intelligent pitcher, Kelly windmilled a variety of speeds and spins to earn All-League honors and team MVP.

Veteran infielders Terri "the Ace" Mellow and Susan Sabel drove the offense with clutch hitting, flawless bunting and base running; but the lower order balanced the attack, as Vickie McKee and Terri "Grandma" Nicolai regularly supplied Pirate RBI's. Rebecca Smith and Jill "Rookie" Pullin contributed brilliant outfield defensive efforts as well as good hitting.

Tammy Vinton, catcher and lead-off hitter was the Pirate fire lighter. With exciting offense, enthusiastic chants, and game saving defensive plays, "Tam-I" was named the Pirate's Most Inspirational Player.

The tone of the team was set by senior Captain Kim Mays. Through exemplary dedication, quiet encouragement, and stabilizing influence at short stop, "Captain Kim" fostered the winning attitude to take the Pirates to the top and earned the title, "Leader of Champions."

Mark Eubank, this year's Captain, was the most versatile of all. Other consistent performers were Mike Johnson, Ian Lahaye, Ari Polidi, Tom Atchinson, Ken Johnson, and John Habara.

The girls, few in number, were valiant. Newcomers Phyllis DiGeronimo and Lisa Correa offer future promise. There were consistently outstanding performances by Cathy Eubank, Anne Kendrick, and Ginny Matson. Also outstanding were the efforts of Becky Van Zant.

The Frosh-Soph boys had the best record of the season. Sprinter Kirk Taylor was undefeated in the 100 and 220. Captain John Johnson was the most versatile of the team. David Fetterman, Tim Paulus, Bryan Lacy, Sean Archiletta, Darren McIntosh, David Gee, and Charles Nio gave the team depth. Next year, they may rule the league.

" 'Approaching new beginnings, we step forward as the sun rises. Days flow swiftly at first in a world that encompasses laughter, frustrations, people who care, those who don't, boredom, activity, faces and friends that move across the horizon. Sunlight fades slowly, dulling the glare of smiles. We seek improvement and further traditions. People, places and hours pass as we break from the past and prepare to find new sunlight in fresh beginnings. Learning to understand, we depart, as the sun sets.'

'This is not the end, this not even the beginning; it is perhaps, the end of the beginning.'

These quotes were taken from the 1972 GALLEON. No words can better express the feeling that is held by all of us. We have been prosperous. We have obtained a great deal of success in all fields of education. We are all pledged to excellence and in the years ahead we will continue to spend our spirit to all we encounter, for every day there is a new beginning."

"After sharing fifteen beautiful, wonderful years, how could I ever go to each one of you and tell you how much you have all meant to me. I'm such a sentimental slob, I'd never make it. I was orphaned as a baby and thank God for a wonderful, loving grandmother and that's all the family I had. But I was very lucky; I could pick my own and you were it!

Give my love to all the kids. These are the ones I shall miss most of all. Please take a moment now and then to listen to their little personal problems and wipe away a few tears. They need food for the soul, too, and it's not easy growing up."

Our congratulations to the class of '81 . . .

You've worked hard, and you've gained a tremendous amount of knowledge and experience. The education you've received has been taught to you by people who care.

Now, as you set forth on your personal and professional goals, we hope that you'll remember the friendships that you've also developed. That special feeling when somebody was there when you needed them. And as you meet new people we hope you'll extend the hand of friendship.

It's people, caring about people, that makes this world a better place. We at Applied Technology in Sunnyvale, want to wish you, the class of '81, much success in the years ahead.

Our memories of yesterday
Will last a lifetime,
We'll take the best, forget the rest,
And someday we'll find
These are the best of times ...

And so, my friends, we'll say good-bye,
For time has claimed its prize,
But today can always last
As long as we keep alive
The memories of Peterson High.

JUNIOR-SENIOR PROM

This year's Junior-Senior Prom was held on the Red and White Fleet at Pier 41 in Fisherman's Wharf, a perfect setting for this year's theme, "Sailing." Two hundred couples attended the 9-1 dance, featuring the music of Harbor Lights, and enjoyed the view of the Bay, including sailing under the Bay Bridge. Refreshments and a delicious buffet were tended by Mr. Buchser. A highlight of the evening was the late arrival for the second year in a row of the Varsity Baseball team after winning its first CCS playoff game with a 4-1 victory over Santa Cruz. Special thanks to Mr. Phillips and Mrs. Stollenwork for helping with all of the arrangements and also to Kristen Welch for the photos.

Sailing . . . It's not far down to Paradise.

Assembly On School Closure

Ruth Tunaley expresses student concerns at assembly on closure.

Mr. Passantino explains why Peterson will no longer be a senior high school.

Students give undivided attention.

With disappointment and concern, Peterson students learned in November that Peterson High School would be converted to a junior high school in September 1981. Through its 16 years, Peterson has been an outstanding model of student achievement, spirit, and cooperation. Although we leave Peterson this year with sadness, we still remember the good times and the friends we've made with fondness and without regret. Thanks for the happy memories.

We'll Never Forget You, Peterson!
